

Building a Brighter Future.

In the wake of the tragedy at Robb Elementary School, the Uvalde CISD Moving Forward Foundation was established to raise \$60 million in funding for the construction of a new elementary campus in the Uvalde CISD.

What We Are Doing — with support from generous donors, monies raised will fund a new UCISD elementary school that will help the children, families, and staff of the Uvalde CISD community move forward together.

Quotes

I hope that the kids, that after this they can build that resiliency back to want to continue school, want to move forward with their dreams, and giving them the opportunity with the safe new environment would be great.

— Betty Rubio, Uvalde CISD Third Grade Teacher
